WELCOME EVERYONE!

Thanks for being with us! We really appreciate your visit and want to make sure you have the absolute best time! With that in mind, a few rules to keep everyone safe:

WOLF CODE

1) Please take photos from your seats only, do not rush the stage when guests appear. Also, please limit flash photography, which does not make your photos better unless you are in the first few rows. Those with sensitivity to flash please be aware that it does occur in the theatre.

2) PHOTO OPS are done on a first come/first taken basis with any exceptions noted within this schedule, including Backstage VIPs who can go first. **PLEASE be on time as they move very quickly and once the photo op session is over, we cannot repeat.** "Special poses" are at the discretion of the actors and their decision could

be based on flights or other scheduling issues. PHOTO OPS may be picked up in the photo op room when available, but not during a photo op session so we don't interrupt the photographer. Full information on when photos will be ready for pick up is on a hand-out available in the photo op room. Personal photo-taking is not allowed in the photo op room at any time.

**We try our best to catch light glare on glasses, but it is extremely difficult to detect during the session. Please be advised that we cannot be responsible for glare if you choose to leave your glasses on in your photo.*

3) Please have your items for signature out and ready during autograph sessions. Personalizations are at the discretion of the celebrities signing and/or may be affected by guest flights or other scheduling issues. You must bring something to have signed, either from home or an item purchased on site. Photo-taking of the celebrity guests during autograph sessions is not allowed.

4) **Our volunteers are here to help you and we thank them for doing so. However, if you have an issue with ANYONE or ANYTHING please let Stephanie know during the convention so she can help. She can't help if you don't tell us and she's easy to find. Just ask!**

5) Please sit ONLY in the seat you paid for.

6) At the request of our guests, ABSOLUTELY no video or audio capturing PLEASE!

7) Please turn cell phones off and kindly refrain from talking when theatre is active.

8) **ONLY ONE QUESTION MAY BE ASKED TO A CELEBRITY BY A FAN. PLEASE NO PERSONAL STORIES ABOUT YOURSELF, ASKING FOR HUGS, OR TELLING THEM WHY YOU LOVE THEM (that's why we're all here!). And please, no BIRTHDAY requests!**

As you are representing all of us, kindly make your question a good well-thought-out one and perhaps something the guests have not been asked before. Please, if you are on the question line, stand all the way to the side against the wall as to not block the view of others who are seated.

9) If you have trouble standing let us know, if you are in a wheelchair or scooter please go with your row or by your number for autographs.

10) Q&A sessions start at the listed time and end at the listed time of the next stage activity.

11) If you plan on having alcoholic beverages during our party please note that the hotel bartenders will be carding and **PLEASE DRINK RESPONSIBLY.** Don't ruin your convention by overdoing it!

12) We do not recommend buying tickets from anywhere but the Creation website or registration. All scannable tickets are checked and we can only allow the first one that goes through in. After that, copies will come up as previously scanned. As of late, there have been more nice fans being taken advantage of when they buy second-hand tickets: so please be careful as there is nothing we can do to help you if you have a secondhand ticket.

13) As with any ticketed event, we are not responsible for lost or misplaced tickets. We cannot replace autograph or photo op tickets that are purchased at the convention, so **PLEASE** make sure your tickets are kept in a safe and secure place. THANKS!

14) Please note that all expenditures at the convention for tickets, merchandise, photo ops, etc. will be done in American dollars and will be converted as such on your credit cards. Depending on the rate of exchange at the time your credit card processes, if you are not from America, the price(s) may vary.

15) Creation is dedicated to providing a safe and harassment-free experience for

everyone, regardless of gender, gender identity and expression, sexual orientation, disability, physical appearance, race, age or religion. We firmly believe in the ideals of one of our mentors, Star Trek's late and beloved creator, Gene Roddenberry. We do not tolerate harassment of any kind from anyone. Patrons violating these rules may be expelled from the convention (without a refund) at Creation's discretion and hotel security may be called in to facilitate this response. If you have any issues with anyone, please ask to speak to Stephanie immediately. She is available at each of our conventions and she can be reached through registration or by any of the talent handlers. Issues of this importance should not be handled by our volunteers, as great as they are.

OKAY, THAT'S IT: HAVE FUN! We LOVE to hear feedback! Write to: asponsor@creationent.com or adam@creationent.com
